EssentialMED Health Plan: iPremier is a WhatsApp Clinical Line led health insurance that provides members with over-the counter medicine and authorisation for visits with virtual or private in-person GPs in our network. The in-person GPs in our network may provide prescription and chronic medicine which members can get at any pharmacy, refer members for basic blood tests and x-rays, refer members to a specialist, perform in-room pregnancy scans and perform minor procedures. Members also have access to private dental and optometry care, emergency transportation, accidental injury care, accidental death and access to a 24/7 assistance programme.
